GO Terms
carotenoid biosynthetic process
carotenoid metabolic process
tetraterpenoid biosynthetic process
tetraterpenoid metabolic process
terpenoid metabolic process
terpenoid biosynthetic process
cellular response to stimulus
oxidation-reduction process
isoprenoid biosynthetic process
isoprenoid metabolic process
biological regulation
pigment biosynthetic process
oxidoreductase activity
catalytic activity
pigment metabolic process
cellular lipid metabolic process
lipid biosynthetic process
fatty-acyl-CoA reductase (alcohol-forming) activity
cell
response to stimulus
cell part
regulation of biological process
